Other Business:

Item 13 – E-Targets

Rob Morgan gave a short run down on what is happening with the Project Electronic Targets (PET) team.

There was some concern that the Council will make a decision without asking the members for their input. Once all the trials are finished will the members be able to have a say before any purchase is made?

Brian Carter asked the meeting if they wanted a say by a show of hands. It was approx. 2/3 yes, 1/3 no.

Andre Doyle reminded the meeting that they are being kept up to date with the information from the PET team via regular newsletters.

John McLaren was concerned that the E-targets, in places that he has shot, keep breaking down with long delays before shooting can start and in some cases not being able shoot at all.

Item 14 – FTR Class

Allan White asked why members that had entered FTR Classic can't automatically qualify for the FTR final and the same with FPR qualifying for the FO final.

Technically he is correct. This needs to be considered by Council.

Item 15 – Range Officers

John McLaren brought up an incident that happened on Saturday afternoon at the WRA Sweepstake meeting where the Range Officer ordered someone off the mound for continually missing the target but carried on firing.

The people involved apologised to the Range Officer involved.

Item 16 – Nicole McKee, Member of Parliament

Nicole McKee thanked NRANZ members for their support and invited members to talk to her and notify her of any issues.

Nicole advised the meeting that some of the firearm's changes will start to impact on members. New rules are coming in this year with registration in 2023.

Two Police raids have occurred this year in Canterbury on people who have been posting anti Government and anti Vax on social media and both are firearms owners.

Item 17 – Date Next Meeting

The date and time of the next Annual General Meeting was set for Tuesday 10 January 2023 at 7.00pm.

Item 18 – Closure

There being no further business the meeting was declared closed at 8:17pm.
