

Barnard Precision Championship for 2021

Over 2021 the Barnard Precision Aggregate has been held with entries gained by attending Regional Championships. One entry per day attended which are added to the aggregate and then all entries are put into a draw for 2 prizes of half paid entry to the NZ National Championship and 2 prizes of full paid entry to the NZ National Championship, with 2 years (2023 & 2024) to claim their prizes.

Winners for are:

- half paid entry, Barry Brown from Malvern Rifle Club and Mark Alexander from Malvern Rifle Club.

- full paid entry, Frank Duckett from Masterton Rifle Club and Brian Greystone from Ashburton Rifle Club.

Coby Snowden, John Flemming, Bruce Horwood from the Ashburton Rifle Club, Shane Kapene from the Gisborne Club and Charlie Ledbrook from the Malvern Rifle Club had the top entries with 13 days attended. 674 days were attended throughout the country, thanks to Covid 19 several championships were cancelled. Numbers attending are well down on last year (800) with travel restrictions causing huge problems to the season.

Support for Regional Championships is a great experience, a chance to shoot on other club ranges and meet the members that make up the National Rifle Association of NZ.

Thanks to Steve and Matt Bartlett from Barnard Precision for their support of the NRANZ and the Clevedon Rifle Club, they are members of both.

Regards

Bruce Millard
Barnard Championship Co-Ordinator
